Dear Sir/Ma,

LETTER OF DONATION

Timson Motors is a Car Dealership with her operations in Kwara State, Ilorin to be precise. In line with one of our slogan "Inspiring Happiness". As part of our Corporate Social Responsibility (CSR), we will be donating some cloths to your NGO.

We chose your NGO because of her wide network with Motherless babies homes/Orphanages, Refugee Camps and Maternities across the country. We are certain that with these goods in your hands, you will dispense them accordingly.

While this is a relatively small offering, we are hopeful that it will make a positive difference in the lives of the beneficiaries.

We therefore anticipate your response.

Yours Faithfully,
The CEO,
Timothy Adedokun.
